

Directions to Harris, Baio & McCullough

Traveling Southbound on Interstate 95 (I-95):

After passing under the Benjamin Franklin Bridge on I-95, watch the signs and get in the extreme left lane which is the exit lane for Exit 20, "Columbus Blvd. / Washington Ave."

Make a right at the end of the exit lane (at the traffic light) onto Columbus Blvd. and stay in the right lane. Proceed to the next light which is Christian Street and turn right. (Gloria Dei Church is on the opposite corner.) Proceed on Christian Street under I-95 to the stop sign at Front Street (one block). Turn right onto Front St. and proceed past the fourth stop sign which is South Street.

The HB&M building is the large brick Colonial on the left just past South Street and Downey's Bar & Restaurant on the corner.

Traveling Northbound on Interstate 95 (I-95)

This is the most common approach when coming from the Philadelphia Airport.

Shortly after I-95 curves toward the north past the Walt Whitman Bridge, watch for signs for Exit 20, "Columbus Blvd. / Washington Ave."

Move to the right lane and exit at the ramp, staying in the right lane as you curve down the ramp. Make a right at the exit light onto Columbus Blvd. (Ignore the overhead sign which says, "Snyder Ave./Oregon Ave.") There will be a large STAPLES store on your right on Columbus Blvd. Turn right at the first light past Staples which is Reed Street.

Go to the second stop sign (there's a quickie in-between) which is Front Street. Make a right onto Front St. and continue past Washington Ave. and Christian Street. Proceed through the fourth stop sign from Christian Street which is South Street.

The HB&M building is the large brick Colonial on the left just past South Street and Downey's Bar & Restaurant on the corner.

HB&M

Harris Baio & McCullough
520 South Front Street
Philadelphia, PA 19147

Here's the phone number just in case:
